ACADEMICS UPDATE. See “strategic issues”
COMMITTEE REPORTS – DEVELOPMENT. D. Dumpson presented the board with “KIPP NEXT” Development Strategic Plan and a YTD update on pledged and received giving ($1.5MM raised of $4MM goal). S. Casper reiterated that we are asking all BOT members to: 1. Make a three-year gift. 2. Introduce people to KIPP; 3. Do whatever it takes to drive this campaign forward. Dennis promised to extend the invite to monthly Development Committee to all BOT members.

STRATEGIC ISSUES: ACADEMIC. N. Scharff presented the board with the School Performance Profile that comes from the state and is a comparison with peers. KIPP did not meet our academic goals. KIPP is in the bottom 10th percentile of schools statewide, and are average compared to all open enrollment Philadelphia schools. KPEA is close to the state average. When we look at our peers (in terms of poverty, special ed, ESL), KPCS and KDCA are in the top 20% and KWPP is in the middle of its peer group. To improve SPP scores, the plan is to stay the course with the new curriculum and instructional strategies added a few years ago, increasing data driven instruction cycles, increasing time spent in math interventions, developing Assistant Principals to better support instruction, and adding more teachers in the classroom. M. Mannella also presented on his work around building a full school culture reset at KIPP Philadelphia Charter School.

KASC UPDATE. None.

COMMITTEE REPORTS – GOVERNANCE. C. Wood Sklar explained that all committee meetings would be sunshined. A. Field shared that revised by-laws would be available at March Board of Trustees Meeting. Leadership Council Co-Chair Ann Aerts briefly presented an update on the work of that body.

COMMITTEE REPORTS – FINANCE. R. Prowler presented the board with an update on the compensation reform work plan. R. Prowler also presented the proposed budget revisions for FY2016-17. Audit presentation is postponed.
