KIPP Administrative Services Corporation administered the student enrollment lottery for KIPP North Philadelphia Academy on February 11th, 2020 at 12:55 PM. The lottery was held at 2539 N. 16th Street, Philadelphia, PA 19132.

All students who submitted a valid enrollment form prior to the January 27, 2020 open enrollment deadline were entered into the lottery. SchoolMint, a web-based enrollment and lottery management platform, was used to collect the forms and run the lottery. SchoolMint uses a random sequence generator to generate a sequence between one and the total number of students wishing to enroll in each grade. The numbers in the random sequence and the charter enrollment preferences determine the order in which students will be enrolled.

The lottery was conducted for students enrolling in Kindergarten, 1st, 2nd and 3rd grades. A total of 1,200 students applied for 100 total open seats. Students were drawn for these open seats by grade and by charter preferences. KIPP North Philadelphia Academy preferences specify that founding family and employee children should be drawn first, followed by siblings of current students, followed by students who live in preferred zip codes, and lastly, all other students. The 100 open seats went to 0 founding family/employee students, 19 sibling students, 81 zip code preference, and 0 no preference students. The remaining names were ranked in order for the waitlist.

The undersigned parties certify that this lottery was conducted as described above and in accordance with our understanding of PA State Charter Law.
