Swing for KIPP

Join us for an evening celebrating the power of education, community, and partnership.

As the inaugural signature event for KIPP Philadelphia Public Schools, *Swing for KIPP* will gather 150 business, civic, and community leaders, along with KIPP alumni, for an evening of meaningful connections and impact. We will recognize the champions dedicated to advancing educational opportunities and celebrate the accomplishments of KIPP students and alumni.

Your sponsorship will have a lasting effect beyond one evening, providing over 3,400 students across KIPP Philadelphia's 9 schools with access to transformative academic experiences, college and career programs, alumni support, and resources to help them turn their dreams into reality. Additionally, it connects your organization with a growing network of leaders who are investing in Philadelphia's next generation, showcasing your commitment to expanding opportunities across our city.
